July 2024 Leadership Summit

From the President's Desk

Dear Executive Women Members, Future Members, and Friends,

Our 2024/25 Fiscal Year is off to a great start. We have engaged several new members, held a ½ day Board summit, and enjoyed a wonderful tour of The Breakers with lunch in the Seafood Bar afterward – all since July 1! I would like to sincerely thank our member Trisha Taylor, General Manager of The Breakers, for the radical hospitality she and her staff showed us on our visit.

As we head into our year, we are in search of a 2025 WILA Chair or Co-chairs. If you are interested in leading the WILA committee in coordinating our luncheon on April 2, please let our Chapter Administrator, Heidi, know – director@ewpb.org. And, don't forget to check out all of our upcoming events at www.ewpb.org and sign up to join us!

Warmly,

Vicki Pugh, President

EWPBF Involvement so far:

Immediately upon joining EWPBF, I got to work on the Membership committee. I want to volunteer in a capacity that is different from my day-to-day work, and strategizing on ways to recruit new members allows me to do that.

3 top things on your bucket list.

1. Dinner party with Brene Brown, Oprah and Beyonce.
2. Cooking classes in Italy
3. A dedicated collage studio in my home

What made you want to join EWPBF?

I had heard of EWPBF for several years and wondered if it was the right fit for me. After attending a recruiting event a couple of years ago, I was pleased to see many women I admire and respect that were members, and looked further into the organization and had discussions with women I know. Turns out it IS a good fit!

How has EWPBF helped your personal connections with other professional women so far?

I've thoroughly enjoyed meeting women who I don't normally see at other networking events. It's allowed me to expand my network and learn more about the corporate industry, as I have been heavily involved with nonprofits. I also love the Seat at the Table Members Only Events, where we have had access to high-level executives in a smaller setting.

Is there anything else you'd like readers to know about why EWPBF is important to you?

I think there is real opportunity for the growth of EWPBF and am excited to be a part of this evolution. We are recruiting new members with great experience and ideas and I look forward to helping develop our membership base and the valuable offerings that are possible. The future is female!

Join a Committee

On July 13th, EWPB leadership met for a summit of ideas, strategies, and annual planning. Members discussed the EWPB Strategic Plan (available on EWPB.org), core values, and operating procedures.

As we implement these plans and values, we'd love your unique ideas and input. Please consider joining a committee to help us serve our members and community with excellence.

A comprehensive list of committees and contact information for their respective chairs can be found in the member portal on ewpb.org. Or, email director@ewpb.org to help you find the right fit!
