

The official newsletter of the Executive Women of the Palm Beaches Foundation

Dear Magnificent Executive Women Members,

May is always such a joyous month! It is heartwarming to view posts on Facebook and Instagram of graduations, weddings, school acceptances, and more. For those of you celebrating one of these milestones this month, congratulations! A special thank you to those of you who helped us celebrate the marriage of our daughter, Ali, earlier this month (see photo).

It is these occasions that remind me of the importance of investing in the next generation. Executive Women is here to help lift women up, especially young women with promising futures. Through our Kwasman grants and scholarships, we invest in women who are furthering their education toward career and life goals. Our membership, networking, and programming, encourages younger female leaders to attend, learn, and grow from the relationships and speakers they experience.

Thank you for being a part of Executive Women and helping us continue to invest in future female leaders.
