What's happening at EWPB:

Dear EWPB Members,

Welcome to Summer!

After a whirlwind season filled with activity, accomplishments, and connection, summer has finally arrived. We hope the months ahead provide each of you with opportunities to slow down, recharge, spend time with loved ones, and perhaps enjoy a well-deserved vacation.

As we look ahead to the second half of the year, I'd like to share an important organizational update. At our May Board meeting, the Board voted to align EWPB's officer and director terms, as well as our Annual Meeting, with our fiscal year, which ends on December 31. In the past, board terms and our Annual Meeting took place each June. This change will better synchronize our governance activities with our annual budgeting, strategic planning, and fiduciary oversight responsibilities, strengthening the organization and supporting more effective long-term planning.

As part of this transition, our Annual Meeting will now be held in conjunction with our Holiday Party on December 3. Elections for Board Members and Officers will take place this fall, with newly elected leaders being sworn in at the Annual Meeting. We look forward to celebrating the season and recognizing our new leadership together.

EWPB Needs You!

While summer may be a time for relaxation, the work of EWPB continues year-round—and there are many ways for you to get involved.

We are currently seeking volunteers to serve on several committees, including:

- Scholarship Committee
- Kwasman Grant Committee
- Membership Committee (meets monthly via Zoom)
- Programs Committee (meets monthly via Zoom)
- Finance Committee (especially welcoming members with financial expertise)

We are also looking to expand our leadership team with new Board Members who are passionate about helping shape the future of EWPB.

Whether you can contribute a few hours each month or are interested in taking on a larger leadership role, your ideas, experience, and enthusiasm can make a meaningful difference. Volunteering is a wonderful way to build connections, support our mission, and help ensure EWPB continues to thrive.

If you would like to learn more about committee service or Board membership opportunities, please contact Board President Kae Jonsons, any member of our Board leadership team, or fill out the interest form [HERE!](#)

Together, we can continue to grow, support one another, and strengthen the impact we make in our community.

Wishing you a wonderful summer,
Kae Jonsons

Dress for Success Palm Beach Pop Up Shop and Collaboration

The Executive Women of the Palm Beaches Foundation was proud to partner with Dress for Success Palm Beaches for a successful Clothing & Accessory Drive and Pop-Up Shop Event. Thanks to the generosity of our members, community partners, and supporters, we collected professional clothing, shoes, handbags, and accessories to help women prepare for interviews, career advancement, and new opportunities.

The event culminated in a fun evening of shopping, networking, and giving back, where women scored professional attire, accessories, and wardrobe essentials to help them look and feel their best.

Guests also enjoyed an inspiring presentation by Marcella Scherer, who challenged us to think about the question, "Are You Dressing at the Level You Lead?" and shared insights on how our personal image and presence can influence confidence, leadership, and success. A special thank you to our collection site partners—Families First of Palm Beach County, Delray Beach Public Library, El Sol, and First National Bank Coastal Community—as well as everyone who donated, attended, volunteered, and helped spread the word. Together, we are empowering women with the confidence, dignity, and professional presence needed to succeed in the workforce and make a lasting impact in our community.
